

## Kegworth Heritage Centre Creative Director Role Description

It's an exciting time at Kegworth Heritage Centre as we get ready to reopen to the public in 2023. We are looking for a team of volunteers to help achieve our vision of making KHC a community centre for all to enjoy and benefit from. As the Creative Director you will primarily be involved by working with the trustees to help:

- Get the museum ready to open, including cleaning and rearranging displays and exhibits
- Define the themes and stories which underpin the organisation and layout of the collection
- Drive the user experience and branding of KHC in line with the existing vision
- Provide creative input to help further drive the vision for KHC

Looking further forward the successful applicant will take over the responsibility and ownership of creative direction and join the board of trustees, so we see this as a long-term commitment to KHC. Existing experience in museum design and management would be a huge benefit.
